About us

1. Who are Dignity?

Dignity was one of the first companies to develop a funeral plan product, innovating the concept in 1985, and sells around 30,000 funeral plans per year.

Dignity is the only UK provider uniquely positioned in the end-of-life sector that offers the provision of high-quality funeral plans, high standards of care and compassion at the time of need through our national funeral director network, whilst offering a peaceful place to say goodbye and remember at our 46 crematoria and cemetery locations across England and Scotland.

The benefit for the consumer being one trusted, respected and regulated funeral plan provider that will also deliver the funeral to the highest of standards at the point of need.

2. Why is Rest Assured no longer able to provide my funeral?

Your existing Funeral Plan provider, Rest Assured Funeral Plans Limited ("Rest Assured"), has failed to seek or be awarded authorisation under the new FCA rules and is therefore withdrawing from the UK funeral plan market. We are therefore offering you the opportunity to obtain an FCA-regulated Dignity Funeral Plan that matches the plan you purchased with Rest Assured as closely as possible, and at no additional cost to the price you agreed to with Rest Assured.

3. How do I know if my money is safe with Dignity?

The money you pay for a plan is placed in The UK Funerals (2022) Trust, which is an independent trust. The trustees ensure the money is prudently managed and we will also guarantee to add funds if necessary to the trust to ensure it is always fully funded. Additionally, your money will also be protected by the Financial Services Compensation Scheme if we cannot meet our obligations.
