

## Beckenham Crematorium & Cemetery

Established in 1876, Beckenham Crematorium and Cemetery is one of South East London's most historic and cherished places of remembrance. Spanning over 44 acres of peaceful, green space, it offers a tranquil sanctuary for families to honour loved ones in a setting rich with natural beauty and heritage. The grounds feature an array of new and old trees, memorial gardens, and a blend of gentle sounds from the birds and waterfall feature, creating a calm and reflective environment.

With its long-standing tradition of care and dignity, Beckenham continues to provide meaningful options for burial, cremation, and memorialisation.

## Beckenham Vaults: A Lasting Memorial

## Our Below-Ground Vaults

Situated within the peaceful grounds of Beckenham Crematorium and Cemetery, our elegant vaults offer a dignified and lasting tribute for loved ones. Positioned near the chapel and waterfall feature, they are surrounded by space for peaceful moments and reflection, providing a comforting and meaningful place to return to for years to come.

## What are Vaults?

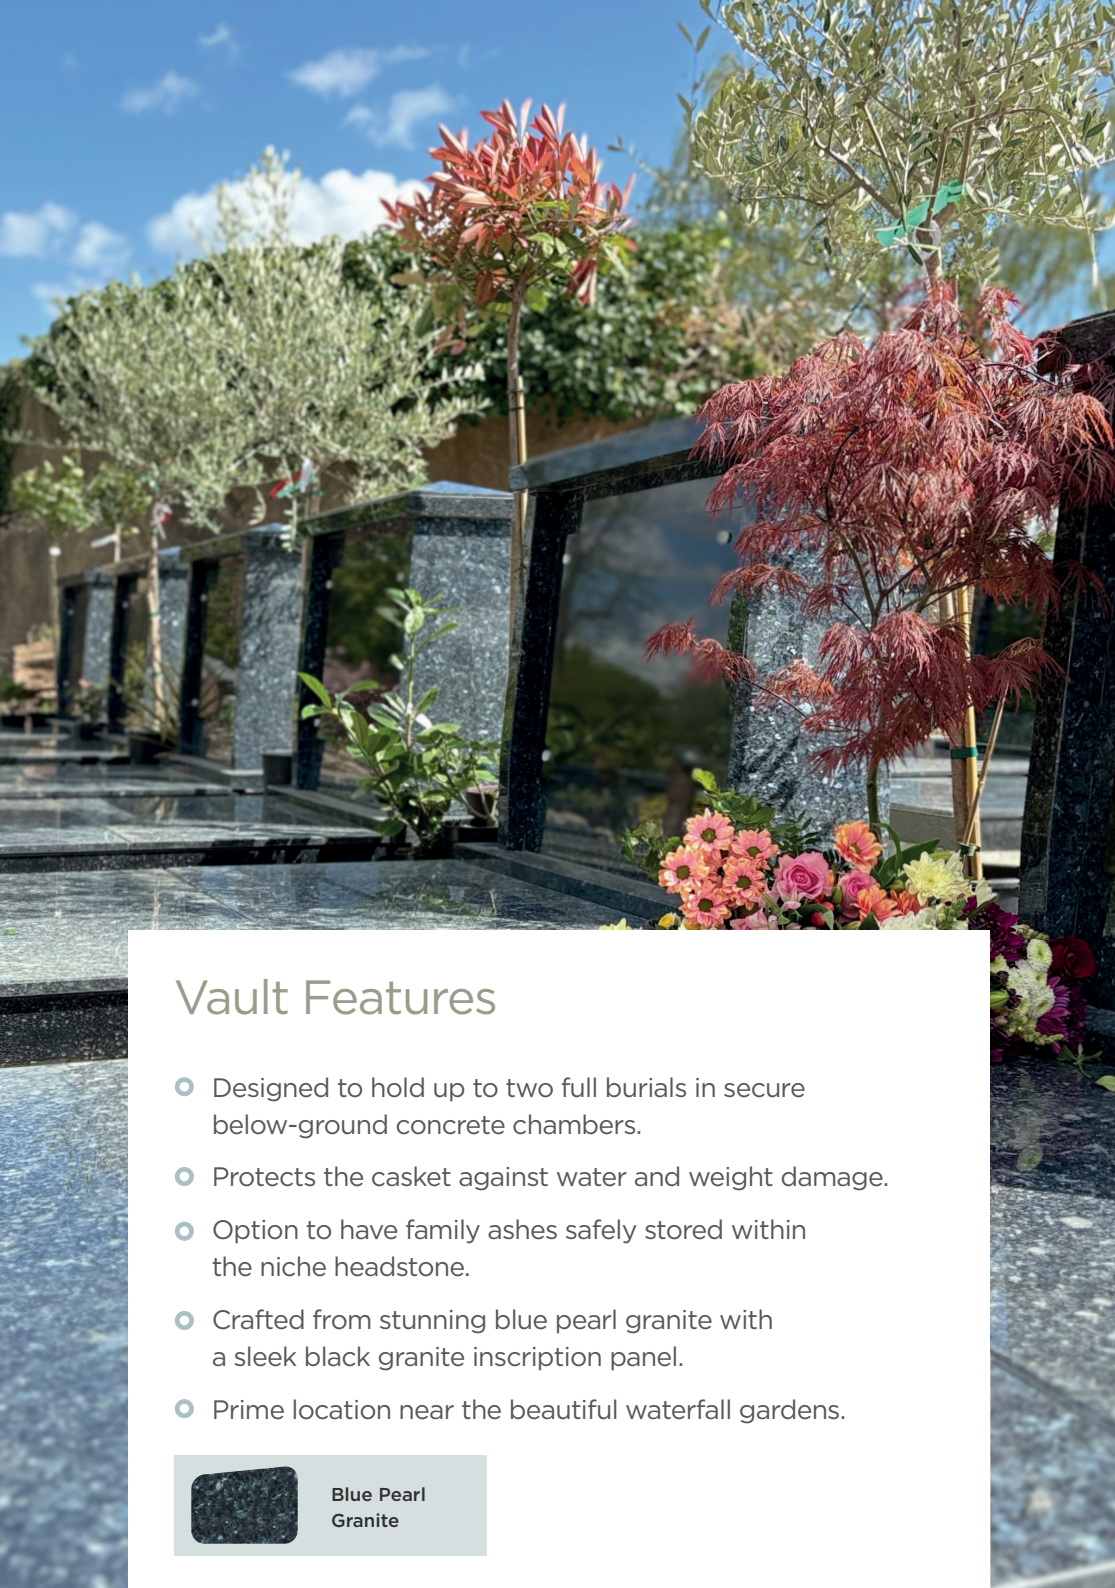

Vaults are specially constructed spaces that provide a secure and dignified resting place for either full burials or ashes. While vaults can be designed for both above-ground and below-ground placement, these are discreetly positioned below ground. The casket is interred within the vault itself, offering enhanced protection from the elements. Vaults present an elegant alternative to traditional burial, providing long-term security and a peaceful space for remembrance.

## Why Choose a Vault?

There are many reasons why a vault is chosen, from religious and cultural traditions to the sense of prestige they offer, as well as practical and emotional needs.

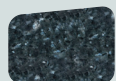

- **Secure & Protective** – Shields against natural elements and ground settlement.
- **Elegant & Lasting** – Crafted from quality materials for a timeless tribute.
- **Low Maintenance** – Reduces upkeep compared to traditional graves.
- **Personalisation Options** – Framed cameo photographs and inscriptions included.

## Vault Features

- Designed to hold up to two full burials in secure below-ground concrete chambers.
- Protects the casket against water and weight damage.
- Option to have family ashes safely stored within the niche headstone.
- Crafted from stunning blue pearl granite with a sleek black granite inscription panel.
- Prime location near the beautiful waterfall gardens.

## Crafted to Endure

Our vaults are constructed from premium blue pearl granite, a material renowned for its durability, elegance, and natural brilliance. Formed deep within the earth over millions of years, granite is one of the hardest natural stones available and is resistant to weathering, fading, and erosion.

The polished blue pearl finish not only gives a unique, shimmering appearance with flecks of silver and blue, but also ensures a lasting tribute that maintains its beauty over time. This makes granite the ideal choice for memorials meant to honour loved ones for generations.

## Vault Arrangement Includes:

- Two personalised inscriptions (up to 100 characters each).
- Two elegant 9 x 12cm cameo photographs in frames.
- Interment fees for two included.

## Pre-Purchase & Planning Ahead
